WEIGHT RESTRICTIONS

Clutter Buster – 3 Cubic Yards

Bulky items may be within 1' over the front top line of the bin.

General Waste - 1,000 lb Limit

Heavy Materials – 300 lb Limit

- Approx. 70 Bricks
- Approx. 8 Cinder Blocks
- Approx. 1 Square* of Roofing Shingles
- Approx. 75, 12"x12" Tiles
- 6" of Sod
- 3" of Concrete
- 3" of Dirt
- 3" of Dry Plaster
- 3" of Rock

**A "square" is a roofing term for enough shingles to cover 100 square feet.*

Bargain Bin Max – 12, 15, and 20 Cubic Yards

Bins may only be filled to the top line so material can be safely covered with tarp and transported. Excess material will be removed and left on the customer's property.

If the bin is over included weight, but able to be hauled legally, **the customer will be charged an extra 4¢ per lbs over the included weight: 12 yd- 3,000 lbs, 15 yd- 4,000 lbs, 20 yd- 5,000 lbs.** If the bin is too overweight to be hauled legally, the customer will be required to offload material. A \$15 per day charge will be assessed to the customer until the bin can be safely and legally removed.

Total Weight - 7,000 lbs Limit

Heavy Materials – 2,000 lbs Limit

- Approximately 475 Bricks
- Approximately 55 Cinder Blocks
- Approximately 7 Squares* of Roofing Shingles
- Approximately 500, 12"x12" Tiles
- 12" of Sod
- 5" of Concrete
- 5" of Dirt
- 5" of Dry Plaster
- 5" of Rock
