Any other "sticky substance" or adhesive that would require removal from bin walls. Additional fees will apply based on the difficulty of removal.

If unacceptable material is found on site, it will be removed. If it is found upon dumping the bin, it will be returned and customer will be assessed an \$85 fee per item and any fines administered, plus 10%.

For recycling and unacceptable waste options, please check with your local governmental agency.

***Appliances do not include refrigerators, or freezers or air conditioning units as they contain freon and we cannot legally dispose of those items.*

*** Because of landfill restrictions, rentals in Castle Rock and Sedalia cannot contain food waste, and additional fees will apply if we have to remove food waste from your dumpster.*

**** Up to 2 mattresses or box springs included. Additional \$105 charge per mattress or box spring.*
