WEIGHT RESTRICTIONS

Bargain Bin – 12, 15, and 20 Cubic Yards

Bins may only be filled to the top line so material can be safely covered with tarp and transported. Excess material will be removed and left on the customer's property.

If the bin is over included weight, but able to be hauled legally, **the customer will be charged an extra**

5¢ per lbs over the included weight: 12 yd- 3,000 lbs

15 yd- 4,000 lbs

20 yd- 5,000 lbs.

If the bin is too overweight to be hauled legally, the customer will be required to offload material. A \$90 dry run charge in addition to a \$15 per day charge will be assessed to the customer until the bin can be safely and legally removed.
